ABOUT THE ENVOY HOTEL:

A pioneer in the emerging Innovation District, the 136 room, Envoy Hotel was voted **'Best New Hotel'** by *USA Today's* 10Best.com and a AAA Four-Diamond recipient offering bold interiors and easy styles, set in contrast to the city's New England traditions, yet right at home in its wunderkind neighborhood. Rooms and suites are oriented to the water, and have a quintessentially urban view, providing a uniquely efficient and comfortable roost with carefully considered custom details, bits of surprise and pops of color. Outlook Kitchen and Bar aims to serve neighbors and guests alike—an instant favorite as much for its local fare as for its water-view vantage point and well-hewn cocktail culture.
